Library Services & Resources for Nursing Students

- All print and multimedia resources are available for use within the library.
- Cell phone use is prohibited in the library. If you need to take/make a call, please step out to the hall.
- Please do not bring family or friends, including children, into the library.
- Please do not reshelve library resources.
- Self-contained beverages are permitted in the library, food is not.
- Students may use the library computers. Laptops are also available for student use.
- Students may use the library photocopier/fax/scanner. There is a 10¢ per page charge to copy non-library materials. Payment can be made at the Information Desk. Copyright guidelines apply.
- Students may use the library study space or conference room.
- Students should access online subscriptions and request documents through NMC’s website.
